APPLICATION FOR PASTURE OR YARD TAP

I, _____, hereby make application to Rural Water District #6, Okmulgee County, for a pasture or yard tap **ONLY**.

I hereby agree that the water will not be plumbed to any dwelling for household use until a PLUMBING CERTIFICATE (provided by the District) has been completed and returned to the District office AND final inspection has been made on the sewage system installation by the State Department of Environmental Quality and the District has received notification of the approval from the Department of Environmental Quality.

I understand that these are the provisions of Rural Water District's permit from the State Department of Environmental Quality and that violation of these provisions are grounds for automatic discontinuance of water service from Rural Water District #6, Okmulgee County, and enforcement proceedings by the Department of Environmental Quality for abatement.
